Dear Girum;

We got home safely.

Thank you very much for a wonderful experience.

I had a brilliant time and it was due in large part to you.

You were outstanding - expert, kind, helpful, sympathetic and good humoured.

Visiting your country was a real eye-opener for me. I loved the wildlife, the scenery and, of course, the people.

I am still enjoying the memories and trying to work out where we were and when certain things happened.

I hope your next tour goes well.

By the way - Belay has got your birding hat. We tried to find you on that last night but you had gone too quickly.

All best wishes and many thanks again.

Tom
